

If you leave your desk, remember to:

- Lock your devices
- Lock up sensitive documents
- Hide passwords/login credentials

Prying Eyes

**Don't become a victim!
Keep your desk cleared
of all sensitive data!**

GO GREEN BY KEEPING DESK CLEAN

**4.3 hours per week are
spent searching for paper**

**80% of papers we file, we
never refer to again**

STRESS LESS WITH A CLEAN DESK

Clutter Can Cause:

**Unrecognized
stress and
feeling
overwhelmed**

**Issues with
focusing,
eating, and
sleeping**

**Negative
emotions when
interacting
with others**
